

October 9th + 10th, 2025

Paris + remote

Recap

EuroRust 2024 was a great success. We had **550** attendees on-site and an additional **170 people** attended online. We sold out one month prior to the event.

We offered 24 talks spread across two stages,
4 workshops on the day before the main
conference, and an impl room for collaboration
on open-source projects. There were a variety
of side activities as well, including a
community meetup, city tours, karaoke, and an
after party.

50% of the attendees got their ticket from their employer, the rest attended as private individuals.

Thank you for an amazing EuroRust 2024!

Feedback

EuroRust is the annual focal point of the European Rust community. Helsing is very happy to sponsor and support this truly inclusive celebration of learning, mingling, networking, laughing. Thank you, Sarah and Marco, for striking exactly the right balance between professional organisation and a friendly, supportive vibe. The Helsing crew is already looking forward to EuroRust 2025 - see you in Paris!

This year's @euro_rust was great. I had an awesome time chatting with folks. Can only re-iterate: meeting in person is important.

EuroRust 2025: October 9th + 10th

What to expect:

Of course we will host another EuroRust in 2025! We aim for 800 attendees on-site and additional 200 remote attendees.

It will be a two-day conference with talks, panel discussions, and an impl room. There will also be plenty of networking opportunities during the conference as well as an after party.

Workshops and community-organized side events will be happening around the conference.
